WHEEL SERIES

FLOW FORGED

NEW RELEASE: *ROH Flow-forged Apache*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Apache Flow-forged 4x4 wheel comes in matt black bronze tinted machined finish, available in 17", 18" and 20" sizes.

Apache is a unique twin 7-spoke with styling features enhanced by bronze tinted machining and 7 black anodised aluminium bolts adorning the apex of the angled wheel spokes.

Flow-forging is the most advanced technology in use today by just a handful of specialist wheel manufacturers around the world. The process begins with unique cast pre-forms which are then flow-forged after casting to produce high-strength lightweight aluminium road wheels for both street and off-road applications.

Apache will fit a large range of the most popular 4x4 and SUV vehicles including top-selling **Hilux**, **Ranger**, **Colorado**, **BT-50** and **Triton**. Apache is load-rated at 1025kg per and is an ideal choice when fitting a **GVM+** suspension upgrade.

ROH Invader is available in-stock now so contact our sales staff today for available fitments and pricing.

Apache Part Numbers & Fitments:

17 X 9.0"	PCD & OFFSET
APA17930BM	6/139.7 30P
18 X 9.0"	PCD & OFFSET
APA18930BM	6/139.7 30P
20 X 9.0"	PCD & OFFSET
APA20930BM	6/139.7 30P
