WHEEL SERIES

FLOW FORGED

NEW RELEASE: *ROH Flow-forged Hostile*

New to the exclusive range of ROH Dakar Proven Wheels®, the all new ROH Hostile 4x4 Flow-forged wheel comes in matt black finish with a bronze tinted machined lip and black anodised aluminium bolts (not chrome plastic), available in 17", 18" and 20" sizes.

Hostile is a unique 10-spoke with styling features enhanced by bronze tinted lip and 10 black anodised aluminium bolts adorning the perimeter of the wheel lip.

Flow-forging is the most advanced technology in use today by just a handful of specialist wheel manufacturers around the world. The process begins with unique cast pre-forms which are then flow-forged after casting to produce high-strength lightweight aluminium road wheels for both street and off-road applications.

Hostile will fit a large range of the most popular 4x4 and SUV vehicles including top-selling **Hilux, Ranger, Colorado, BT-50** and **Triton**. Hostile is load-rated at 1025kg per and is an ideal choice when fitting a **GVM+** suspension upgrade.

ROH Hostile is available in-stock now so contact our sales staff today for available fitments and pricing.

Hostile Part Numbers & Fitments:

17 X 9.0"	PCD & OFFSET
HOS17925MB	6/139.7 25P
18 X 9.0"	PCD & OFFSET
HOS18925MB	6/139.7 25P
20 X 9.0"	PCD & OFFSET
HOS20925MB	6/139.7 25P
