

NEW RELEASE: *ROH Forza*

New to the exclusive range of ROH Lightweight Performance® Road Wheels, the all new ROH Forza wheel comes in a matt black finish in 18" as well as staggered fitments in 19" & 20".

Forza is a twin 5-spoke lightweight alloy wheel featuring behind-the-spoke undercut machining to reduce unsprung mass and optimise brake ventilation performance.

Finished in Matt Black Baked Enamel, Forza will fit many popular FWD and RWD vehicles.

In 19x8.5 and 19x9.5 Forza will not clear FPV brake calipers. However, this wheel perfectly suits E-Series, or Gen-F HSV in 20x8.5 and 20x10 staggered sizes.

ROH Forza is in stock now - so contact our sales staff today for fitments and pricing.
