

**NEW RELEASE:** *ROH Pursuit*

New to the exclusive range of ROH Lightweight Performance® Road Wheels the all new ROH Pursuit wheel comes in a matt black finish and is available in 17" & 18" sizes, as well as 19" staggered fitments.

Pursuit is designed specifically to capture the leading front-wheel drive hatch and sedan market.

Featuring an optimised lightweight 10-spoke design, Pursuit is a high-ventilation sports wheel affording significant reductions in unsprung mass for better braking and tyre performance.

Finished in Matt Black Baked Enamel, 19x8.5 & 9.5 Pursuit suits FPV Brembo models. However, it will not clear SSV Redline, E-Series, or Gen-F HSV brake calipers.

ROH Pursuit is in stock now - so contact our sales staff today for fitments and pricing.
